Well, she's looking very Bonnie! This 24-year-old from London took to stripping like a duck to water. "I hate clothes. They just make you feel so trapped. I like to let it all hang out and feel the breeze on my nipples and pussy!" Even in a freezing February, love? "Well, everything gets a bit sensitive and stiff, but as long as he does too, I'm happy!"

## Open Season

**Y**es, I admit, I'm a real slut! I couldn't stick to one man. I'm just too into getting my pussy stuffed by different dicks. I like big ones, little ones, black ones, white ones.

So what happened? Why did I get married last year to this guy called Rich?

He doesn't have any option but to take my shit. He gets off on seeing me fucked by random strangers and loves to be dominated. Now that's a

**STELLA, BRISTOL**

when I walked through the door with this stranger. I took them

both upstairs and chained Rich to the bed. Then I got down on my knees and closed my mouth around Max's huge cock.

Max enjoyed my sucking for a few minutes, then pushed me to the ground and thrust his hard cock up into my wet cunt.

I gasped as he drove into me and soon started to cum all over his balls.

He kept pumping me as I came, then pulled out and shoved it in my mouth.

"Swallow it," he said, then squirted warm cum all down my throat.

I drank as he came and when he was done, he left.

Rich loved watching me getting fucked and came all over my hand when I wanked him off.

Now we're looking for more guys to join our sexy fun.

relationship I can stay in!

Also it means I can do whatever I want with no fear of an angry husband. That's a relief!

The other night I met a guy called Max and invited him back to mine.

Rich was already home and looked well pleased

## Cocks and shares

**M**y wife Helen had been fantasising about having sex with two blokes, getting really turned on by the porn we like to watch.

Well, when she said this I got a real hard-on, and I suggested my mate, Gary.

He's a real ladykiller, but he can be discreet if you ask him to be, and from his reputation I knew he was no stranger to threesomes. I also knew he thought Helen was pretty fit – hardly surprising, as she's a slender, big-boobed brunette.

He came round the very

next week, and we wasted no time getting down to business.

Helen was naked and wanking in the bedroom when he arrived, and the two of us headed straight up, already stripping off.

Gary clambered over the bed and kissed Helen full on the lips, reaching down to frig her clit as he did so. It was the first time I'd ever seen her with another bloke,

her eyes staring into the distance as she moaned with ecstasy.

Gary didn't stick his cock into Helen's throat straight away. First, he got her to lick the thick juices off his shaft and balls, telling her what a dirty slut she was. I got down to business straight away, slipping inside her and relishing the sensation as her juices flooded around my cock and started to seep out of her well fucked pussy.

It wasn't long before both Gary and I were close to coming. Helen took over here, slipping off the bed and kneeling on the floor, getting the pair of us to wank off over her face. We came pretty much simultaneously, plastering her face with man fat, which she then scooped up on her fingers and licked off.

We were all knackered, but when Gary left, Helen and I had a slow, sexy fuck, during which I told her what a filthy slut she was. I was a little surprised that she hadn't let us fuck her up the arse, as she usually likes a bit of anal, but she said that she had to save something for another day. Fingers crossed!

spat on her arsehole and eased the lubed-up finger inside her. She went wild when I did this, clenching her arse muscles against my fingers and frantically sucking Gary's cock.

Gary looked down to where I was. "Move over, mate, I think she's ready for a dicking," he said, and he pulled out and, after slapping his cock against her clit a couple of times, slipped inside her with one fluid

Gary said it was time to swap again, and I slipped my cock out of Helen's mouth and moved down to her pussy. She kept frigging her clit, and she seemed to be in a trance,

## I RELISHED THE DELICIOUS SENSATION AS HER JUICES FLOODED ROUND MY COCK

I shoved my face into her already sopping twat and started to lap away like a man possessed.

Helen was already moaning loudly, grinding her snatch into my face. I looked up to see her acting like a complete slut, her arms wrapped around Gary's arse as she seemed to be trying to swallow his cock whole.

I reached up with my middle finger and, after smearing it with her juices,

motion. Helen groaned with lust, moaning, "Oh fuck," before I filled her mouth with my own cock. I was lying next to her head, pushing my cock in and out of her mouth as she bucked on Gary's cock. It was an amazing sight.

Gary had a broad grin on his face as he thrust into her, and Helen was shoving the fingers of one hand into my mouth, frigging her clit with the other.

## GOBBLECOCKS

Channel 4 have scored a televisual screamer with *Gogglebox* and its simple conceit of showing ordinary people's reactions to their nightly telly. So I settled down on the sofa to get bandy-legged at the square-eyed with Television X's XXX parody *Gobblecocks*. They're all there: coffin-dodgers Leon and June, posho dipsos Steph and Dom and raucous saladophobes Sandy and Sandra, all taken off by top notch crotch artistes. My high-pitched reactions would have made great telly themselves!

## SHADY LADIES!

Pack your wife off to the flicks to watch *Fifty Shades*, and tune in to *The Real Fifty Shades*, premiering Valentine's Day on Television X. Starring Emma Leigh and Sienna Day, you may well end up more flustered than the missus.

For those of us too young to remember being hit, slapped or even clipped round the ear at school, there's still something strangely erotic about seeing the perverted pedagogue Charlie Z wielding her cane with sexual poise and power (vol 35 no 1). No wonder they call it *la vice anglaise* if even I like it! The worst I got was detention but these pics still gave me a cracking bone-on!

What a way to start the New Year! Lottie is amazing (vol 35 no 1)! Is it the great figure? The bewilderingly good boobs? I think it's the dyed red hair that does it for me. I've always fancied that look since *Eternal Sunshine of the Spotless Mind*! Carl, Wimbledon.

**Dear Julia**

If the pics weren't good enough of Tracy (vol 35 no 1), the story of her one-night stand with her husband's mate got me so randy I gave myself arm ache! I fancy a mate's wife and I was imagining what might be if she was as horny as Tracy! She's more likely to give me a cup of tea than a knee trembler!

## I WAS A HOME-M

**W**hen I was in my second year at uni, I answered an ad from a guy called Kevin, asking for a “liberated, adventurous girl” to help out with a business venture. I guessed rightly that it was something involving sex.

Kevin was doing some technical course, including film work, and had decided he was going to shoot some porn to sell and split any profits. I reckoned maybe he was a bit too cocky for his own good – in the arrogant sense!

But I thought who cared, a bit of no-strings fucking might be a laugh, and if we got some dosh out of it, then brilliant.

**He pulled out and  
creamed on my  
cheeks while I  
frigged my clit**

He was pretty serious about it all – so much so I found it a bit funny, to be honest! He’d roped in another mate to film it, and set up loads of borrowed equipment from the uni. I insisted on getting a DVD of all the film shot, and I soon realised how seriously horny I looked when I was on the job. I’d overacted a bit at first, but once I got into it naturally, I just looked like I was a bloody good shag!

Kevin was good too. He was a nice-looking bloke with a decent-sized

# MADE PORNOSTAR!

cock on him, and he seemed to have a permanent hard-on. He wasn't quite at the stage where he could cum on cue, but in one scene, where it took a bit longer than he expected, he just hammered into me fast until he shot his load.

It all looked pretty raw and dirty. I still had my knickers on – he'd just pulled them sideways – and now he had me on all fours, one hand hanging onto the back of them as he slammed his prick in and out of my hole, his crotch and stomach

slapping really hard up against my arse cheeks. He sort of forgot himself – I got a couple of spunk-jets up me before he pulled out and creamed on my cheeks. His mate just made the most of it once he'd pulled out, focusing on the cum oozing out of my pussy as Kevin frigged my swollen clit.

The good news was he sold the film pretty easily, and they liked it and asked if we had any more. Kevin decided we should go out to the countryside for couple of days, just me and him, and

we'd shoot more footage. It didn't feel like work, just a dirty weekend.

He borrowed this cottage from a mate's parents – I reckon they couldn't have known what for! Then we just went a bit mad, filming ourselves shagging away in every room. I've always found that "Gonzo" handheld-camera style of porn a lot more sexy than the set-up stuff anyway.

At Escort, we leave girls rather than pound coins to reserve our game on the pool table. Usually someone steals the pound, but there's no way we're letting them get away with the lovely Minnie. Especially as she comes complete with her own triangle. "Why don't you sink one in my near pocket?" she cooes. "You've got three to choose from so why not just hit and hope – I'm sure you'll end up somewhere extremely pleasant!"

## My Bare lady

It happened when a friend of mine brought a girl she worked with down our local. I ended up spending half the

cabbie, but once we were indoors she took control again, laying me down on the fluffy living room rug.

She knelt over me, straddling my

scent of my excited pussy.

Going down on Naomi just came naturally, once she'd moved us into a sixty-nine. She was on top, her pussy juicing inches above my mouth, and I lapped along her slit a couple of times before she lowered herself down, my tongue sinking deep inside her hole.

Her juices flowed, and there was so much they soaked my face and chin. I just followed what she was doing to me.

I wet a finger up Naomi's

night chatting away to Naomi – my mate was chuffed we were getting on so well. I found myself wondering if she had a brother – he'd be just my type.

She must have picked up on my attraction, and I started to get the feeling she fancied me too.

Never having been with another woman I wasn't really sure how I felt about this, but a bit of Dutch courage meant I just went with the flow. I said I'd share a cab and wasn't surprised that she made a move on me when we pulled up outside her place.

She had the most gorgeous mouth, and as she touched her lips to mine I felt a tingle go through me. I licked my lips, tasting her vanilla lip gloss, and got another taste seconds before she gave me a proper snog, sliding her tongue into my mouth.

I was shaking, fumbling for my keys as she paid the

body, and pulled up her tight vest-top and took hold of my hands, placing them on her tits.

They were smaller than mine but well firm, and her nipples were so stiff they dug

into my palms.

She leant forward so I could give her a sucking, then we stripped each other naked. Her pussy was shaven, but she said she loved my full bush – and how it held the

pussy then slid it along her crack, tickling around her arsehole. She squirmed her bum in pleasure, so I slipped it slowly inside her. As I wriggled it about, her pussy tightened around my tongue, and she came all over my face.

For a while she couldn't move – she just lay with her mouth against my slit, her short hair tickling my inner thighs. Then she started licking me again, digging her tongue inside me down to the root.

That got me to the brink but not quite all the way, so she switched to using her fingers, slipping three inside me. I was so wet, so turned-on, they just slid in right down to the knuckle in one.

Meanwhile her mouth was clamped over my clit, sucking as those lush lips of hers pressed tight around it.

Seconds before I came

I felt my hole clamp tight around her fingers, then every muscle in my crotch rippled. I buried my face in between her cheeks, muffling my moans as my orgasm ripped through me.

We staggered up to my bedroom, and as we lay there fingering each other's cum-swollen pussies, Naomi told me I was only the third woman she'd ever slept with – and she got a real thrill when I said she was my first.

I've got a boyfriend now but it doesn't mean I've stopped thinking about her – I fantasise about a threesome with the pair of them all the time!

# STELLA & TINA

It's abso-bloody-lutely freezing in the Escort offices as we slave away by candlelight, typing in our fingerless gloves and delving through great piles of pictures so you can sit in your toasty bedrooms with your copy of Escort. If there's anything that can warm us up it's this troublesome twosome, Stella and Tina, who get temperatures soaring wherever they go. Scott would have strolled back from the Antarctic if he'd ditched the huskies and had these two. They should send them to Moscow to unfreeze Russian-Ukrainian relations. And now we're feeling hot, hot, hot ourselves!

# NUDE ROMANTIC!

# BAMBI

Bambi (27) is not really interested in scattered rose petals and pink champagne for her Valentine's Day treat, but she does love a cock – truly, madly and deeply! "Or even two!" grins the Sheffield girl who'll give readers some real steel in their pants. "I'm hoping my boyfriend treats me to a romantic night in with him, his best mate and a load of dirty mags for bright ideas. Every girl deserves a meat treat on Valentine's!"

Those fuck-me boots are really very fetching, Tiffany. Do they actually work? "Men are such literal-minded creatures that they work amazingly," she purrs. "I'm always beating them off!" What else do you have in your cavernous wardrobe? "I've got some 'Now Lick Me Out' knickers and a 'You Can Fuck Off Now' hat for when he wakes up in the morning!"

## EX appeal

I didn't realise I fancied other women until I started reading girlie mags in bed with my boyfriend, Luke, and watching porn videos.

Soon I wanted to experiment with this side of myself and as I wanted my bloke involved in any scenes, I let him contact Katy, a girl he'd dated who was bisexual.

She was small and gorgeous, with long black hair and big green eyes. We were both a bit on edge at first, but a couple of drinks soon sorted that out. Luke poured us one more refill and suggested we should take them up to the bedroom.

At first we just lay side by side then, as I turned to put my glass on the bedside table, I felt Katy rake her long nails gently down my spine. I rolled over and we wrapped ourselves around

I liked through instinct. I was squirming, humping hard against her hand as she got three fingers up my twat, and hardly noticing when Luke came in a few minutes later.

He'd already stripped off and he stood over us,

MAISIE, WORCS

I got right in close so I could watch him put it in the first time – the second he touched his cock to her hole it seemed to flow with juices. Then he was balls-deep in her and started thrusting away.

As his prick pounded her twat, mine was aching like I was getting fucked too. I got going with my vibrator, switching it on and grinding it hard against my clit as well as pumping it in and out of my hole.

I was the first to cum – when I've done it once I orgasm even easier the next time. Luke was next and Katy hooked her legs behind his back so he'd lose his load inside her cunt.

She hadn't cum yet, so I took over as Luke knelt up,

## HE STOOD OVER US WANKING AS HIS GORGEOUS EX FRIGGED MY PUSSY

fucking, how she seemed the sort of girl who wouldn't leave his cock alone until she'd cum again and again.

He was still gagging to fuck her – that was obvious so I told them to go for it, and got my vibrator out of a bedside drawer so I could frig myself as I watched them.

Katy lay back and spread her legs – her twat was a much deeper pink than the rest of her pale skin and framed by her trimmed black pubes.

Luke started rubbing her with the pads of two fingers – just the way I like it myself.

sweating, his cock still hard and coated with her juices. I was dying to suck it but he was still too sensitive, so I played with Katy instead.

I touched the tip of my vibro to her clit and clamped my mouth over her hole, jabbing my tongue inside her as a mix of her juices and my boyfriend's creamy spunk trickled down my throat.

Most women probably couldn't cope with watching their bloke shag his gorgeous ex – but as I fancy the arse off Katy how I can I be pissed off with Luke for feeling the same way?

# REAL WIFE SEX

*Abby's story continued from page 19*

But I've got to say my favourite scenes were when we went outside. The fresh air and maybe the chance of being caught had me creaming my knickers

**We started off with a blow job, me on my knees naked except for my boots**

from the moment we first stepped out of the door. We started off with a blow job, me on my knees naked but for my hiking boots, rubbing Kevin's cock all over my tits and face. As I watched it back, he looked so swollen, all pinkish-purple and shiny, it could have exploded all over me any second. Then he asked was I up

for shooting an anal scene.

I said yes without thinking too hard about it. He had me bent over this low wall – very picturesque! – and slammed his cock in and out of my pussy, getting it wet. Then he rubbed my juices, mixed with a bit of lube, all over my arsehole. He fingered it then teased it with his prick, and had me push back hard against him so he just sank in when I relaxed again.

You can hear me letting out this little yelp as he

penetrates me – I didn't think I'd take his entire shaft straight off – then he gradually fucks me harder – doing all the tricks like pulling right out then slipping back in again before just humping me to a climax.

He'd liked the spunk-running-out shot from the first time, so I took every drop of his load deep up my arsehole. Then he just focused on it dripping out of my hole, frigging me with his free hand until I came, pumping more out of me.

Then, when he was hard himself, he blasted two more balls' worth of spunk over my arse and down my crack. I saw an edit of the horniest bits, and

I couldn't keep my fingers out of my snatch as I watched it. I could hardly believe I was doing those things!

What Kevin didn't know till afterwards was that was the first time I'd ever taken a cock up my arse. He said that was brilliant – we could use it to sell the film, if the buyer believed us. I'd taken it so easy, he wasn't sure they would.

Kevin graduated at the end of that year and we didn't stay in touch. I think he reckoned he was out of my league in the "real world", that he was fucking me for business not pleasure, but I'd be surprised if he didn't secretly want more. Kev, if you're reading this, I'm up for it, whether it's for fun or filming. Whatever, I still watch my first-time anal DVD at least once a week!

**"My boobs are getting bigger as I get older! I hope your cock is!" boasts 22-year-old Londoner Harmony, wiggling her 36DD boobs. "I used to work at a lapdancing club in Croydon and learned all the tricks there to keep my man sweet." Not that you need too many with a rack like that, Harmony! ## UP on the roofer

**C**hristmas was coming so I decided to do a bit of re-decorating. I was dressed in a skimpy pair of shorts and a vest top as I get quite hot when I do this.

I had been at it for about half an hour when the door-bell rang. I answered it to a lad of about 25 who said he was in the area doing repair works to roofs and gutters and asked if I was interested.

I said I was and invited him in. I told him to take a seat while I tidied up a bit and made him a cup of tea.

All the time I was tidying I made sure I was bent over a lot so that my shorts went tightly up my cunt and my boobs spilled out.

I could see this was having some effect on him from the

very large bulge in the front of his jeans.

I started to make filthy comments like: "My shorts are so tight, would you like to feel my cunt?" and "I love to have my boobs squeezed" making

it clear how horny I was feeling. He finished his cup of tea and as he handed the mug back, I took his hand and placed it down my top.

I asked if he liked what he could feel and then moved in to kiss him. As he kissed me back I reached down and unzipped his

jeans. His cock popped out and I began to squeeze his large heavy balls.

I then knelt down and, taking his cock in my mouth, deep-throated him. He groaned that he was about to cum and then he shot his load straight down my throat.

I told him I needed his big cock inside me so we went upstairs ripping the rest of our clothes off as we went.

I opened the bedside drawer and pulled out a big dildo and told him to use it on me. As he pumped me with it, my juices started flowing and squirted

## Pool Party

**O**ne rainy evening on holiday Louise and I were in a pub playing pool, when a couple of blokes came up and offered us a game of doubles.

Our forfeit for losing was having to snog each other - and Louise made sure we did it properly. We stayed there

right  
up  
until

closing time, and found out why they were so good. Nick's uncle ran the place and they'd been playing since they were kids. It also meant

to take a shot.

Then his crotch brushed up against my hip and I could feel he was hard.

That's when I decided

I'd had  
enough  
of pool. I  
used my  
hands to  
pocket

## HE DIPPED HIS HELMET IN MY WELLING JUICES AND PUSHED IN

we had our own private lock-in that night.

I knew Louise had her eye on one of them. They went up to his room, leaving Nick and me alone in the bar, which suited me fine. He poured me another drink, then set up the pool table, telling me he was going to show me how to play.

Actually, it was halfway to foreplay - he was literally bending me over the table and touching me all over, supposedly to get me in the perfect position

the balls, then hopped up on the table and lay back.

His tongue slid into my mouth as we scrabbled at our clothing. He knelt in between my thighs, dipping his helmet in my welling juices, then pushing in with a smooth, slow stroke.

He had my legs right up against his

shoulders, so he could fuck me even deeper, and with the rest of the bar pitch dark, aside from the pool table lights, I felt like I was part of a live on stage sex show!

I started fantasising that we had an audience, that Nick was showing them how it

## I WANKED HIM TILL HE SHOT HIS LOAD ALL OVER MY FACE

out as I came hard.

My cunt was now wet and I was eager to feel his cock deep inside it.

He took me from behind up against the wall, on the floor, everywhere he could and soon had me cumming again.

We both came at the same

time and the feeling of his hot spunk hitting me hard and deep had never felt better.

We lay on the bed a short while then I took his cock in my mouth again until he was hard and wanked him until he shot his load all over my face.

We cleaned ourselves up and arrangements were made for him and his mate

to come back the following week and start work on my roof.

I can't wait because Rob told me his mate has a massive cock and loves it when women soak his cock. But that will be another story. *Dee, Lancs.*

was done, and I started to whimper with pleasure, like I wanted them to hear how much I was loving his cock.

He started to fuck me faster, our clothes rustling against the baize, and the wet, slurping sound of his prick pumping inside my

pussy adding to the turn-on.

We didn't care who walked in on us by now!

Suddenly I felt myself start to cum.

Nick pulled out, using his fingers to squeeze and stroke every last pulse out of my orgasm. Then he asked whether I would I finish him off with my mouth.

With my head hanging back over the edge I could take him deep-throat, sucking every drop of my juices from his shaft. But what finally got him cumming was me sucking on his helmet, swirling

my tongue all around it. I tasted the first salty drops, then swallowed as he shot the rest of his load down my throat.

Louise didn't emerge till lunchtime. We were all too tired for a rematch!

to their room. We invited him back to our room for a

nightcap where I asked him if he'd like to fuck Emma.

"Love to, mate," he said.

Emma and Dave were a bit shy at first but with a little encouragement from me he soon got sucked into her.

Dave seemed particularly taken with Emma's huge tits, fondling, licking and sucking them as I watched.

**W**e've just got back from a holiday in Italy where my wife Emma got all the men's attention round the pool with her magnificent melons.

One night at the pool bar we got pally with a guy called Dave who'd had a row with his wife who'd gone back

Dave began to fuck her and when he flooded her with spunk she cried out and came, wrapping her legs around him. So sexy!
